The ocean and Great Lakes are fun places to explore! Tell stories about national marine sanctuaries.

Project Title	The ocean and Great Lakes are fun places to explore! Tell stories about national marine sanctuaries.
Project Summary	Did you know that national marine sanctuaries are managed for the conservation of their natural and cultural resources, while supporting sustainable recreation and tourism? Help us get the word out by creating stories about America's underwater treasures by researching and writing articles about you
Country	United States

Project Description

National Marine Sanctuaries Content Writer - Recreation, tourism and stewardship Internship: Join the NOAA Office of National Marine Sanctuaries and help tell stories of your national marine sanctuaries! Tasks may include brainstorming and researching topics, interviewing subject matter experts, locating images, and writing and editing text. You'll work with the Office of National Marine Sanctuaries writer/editor to develop your stories to increase public understanding about how national marine sanctuaries are places for responsible recreation, tourism and stewardship opportunities. We're looking for an individual who has strong writing and editing skills and a knack for telling stories.
